

ASSESSMENT TESTING: NEXT STEPS

So you just completed your assessment test...now what?

STEP 1:

Submit your official high school transcripts to Admissions & Records (highly recommended!). Your official high school transcripts can help the college to place you more accurately.

STEP 2:

Make an appointment to see a counselor who will assist you in mapping out your educational plan. Schedule an appointment at foothill.edu/counseling.

STEP 3:

Thinking of a retest? Your test scores are valid for two (2) years. You are welcome to take a retest within six (6) months of the date from which you earned your initial assessment. Be sure to review online study guides and take practice tests at <https://foothill.edu/assessment/assessment/testprep.html>. Once you're ready, make an appointment online at foothill.edu/assessment.

Note: You cannot retest in a subject if they have earned a transcriptable grade (D, F, NP or I) in the subject/course sequence in which you are seeking a new assessment.

STEP 4:

Register for your classes online at myportal.fhda.edu.
