

OVERVIEW

Since the implementation of CA Assembly Bill 705 (AB705), Foothill College uses multiple measures – high school transcripts and guided self-placement assessments– to make recommendations for taking your first Math, English, ESLL, and Chemistry courses.

When you applied to Foothill College, you may have already received your math, English or ESLL course recommendations. This explains which courses are most appropriate for you to take.

ACCESSING YOUR PLACEMENT SCORE

- > Log into your MyPortal Account
- > Go to the ‘Student Registration’ tab
- > Click on ‘View My Placement Results’

EXPIRATION OF ASSESSMENT RESULTS
