

ASFC ICC Spring Quarter Club List 2017

ICC Purpose: Approximately 70 clubs are active quarterly, and over 250 chartered campus clubs cater to a wide variety of student interests: athletic, career, cultural, departmental, honors, service, political, recreational, religious, social and special interest. A voting representative from each club attends the Inter Club Council (ICC) meetings, held Tuesdays at 3 p.m., chaired by the Vice President of ICC with the Student Activities Specialist as advisor. Clubs promote campus participation by co-sponsoring the nine-month Heritage, Health Series, planning and hosting club events and fundraisers, attending the quarterly Club Days, and volunteering in the community and on-campus. Clubs are supported and sponsored by the Associated Students of Foothill College (ASFC). Club of the Year competition, quarterly Club Days, free rentals of Foothill facilities and audio-visual and event equipment. Advisors are employees who agree to be at meeting and event while overseeing the financials with our accountant. For more information please visit the Club Handbook and Campus Website at foothill.edu/campuslife/club.
