

CCC Communiqué

January 24, 2025

News & Announcements:

- ❖ **New Course Proposal:** The following proposals were presented at CCC. Please contact your Curriculum Reps and/or the faculty author(s) if you have questions or comments.
 - C S - Natural Language Processing E. Reed
 - C S - Deep Learning E. Reed
 - PSYC - Careers in Psychology B. Stefonik

- ❖ **New Degree and Certificate Proposals:** CCC approved the following proposals on January 21st. Please contact your Curriculum Reps and/or the faculty author(s) if you have questions or comments.
 - ◇ Associate Degree in Artificial Intelligence E. Reed
 - ◇ Bachelor Degree in Artificial Intelligence for Business E. Reed
 - ◇ Certificate of Achievement in Advanced Machine Learning and Artificial Intelligence E. Reed
 - ◇ Certificate of Achievement in Principles of Machine Learning and Artificial Intelligence E. Reed

- ❖ **New Certificate Applications:** At the January 21st meeting, CCC approved applications for the following new certificates, which will be sent to the FHDA Board of Trustees for approval at an upcoming meeting:
 - ◇ Certificate of Completion (noncredit) in Theatre Costume and Makeup L. Henderson
 - ◇ Certificate of Completion (noncredit) in Theatre Production Organization L. Henderson
 - ◇ Certificate of Completion (noncredit) in Theatre Technology L. Henderson

- ❖ **Updating Foothill GE:** At the January 21st meeting, we continued our discussion about the new Foothill GE pattern by focusing on the criteria and application forms to be used by faculty for each of the areas on the new GE pattern. Rough drafts of application forms were created by the CCC Team and discussed by the group, with the hope that feedback from faculty (including discipline experts) can be incorporated into updated documents, to be presented at the next CCC meeting as a first read. We very much welcome your input on these drafts—if you haven't seen them yet, please reach out to your CCC Reps or to Ben.
