Discussed Curriculum meeting with DeAnza re Illustration Certificates. Discussed protocol of collegial sharing

Two issues:

- Hillary
- Jordan - Voiced concerns, gave DeAnza the opportunity to consider renaming, they responded with thank you, but no.
 - Foothill has a certificate achievement in Illustration
 - Protocol on how college are vetting feedback from both colleges. DeAnza did not approach us first about their plans for a certificate of achievement in illustration before taking the plan to BACCC (as they have done in the past)

MTEC - Renumber MTEC80A to Music Business to MTEC01A as it is UC transferrable. Eric doesn't see any other classes being UC approved and that this will be the only MTEC course.

- Jordan moved
- Judy seconds
- All approved
