ACCOMPLISHMENTS

- First Annual Showcase of Online Teaching
- Establishment of FH PRJ FGA JB DEV for Foothill Faculty to share online teaching information
- Beginning of the discussion of a plan for addressing the achievement gap
- Ongoing updates on Online Grant
- Beginning of Discussions on Clarification of "fully online," "hybrid," and "on-campus" classes
- Continued discussion of Etudes vs. Course Studio vs. non-etudes online classes and Student authentication and use of alternatives to Etudes
- Revised DE Approval form
- Online degrees and course substitution
- Status of proposed online teaching certification program
- Input about email blast to enrolled students about Etudes login instructions
- Senate Resolution: Resolved, that the Foothill Academic Senate calls for expanded services and funding for Foothill Global Access including consideration of the hiring of a full-time Instruction Designer to assist faculty in development of classes to serve our students and improve the training and preparation of faculty in the effective education of the large numbers of students enrolling in online classes not fully prepared for the demands of online learning.
- Feedback about draft guidelines for remote proctoring for online courses
- Discuss development of an Online Teaching Starter Kit

Suggested Goals to discuss

- More division representation – membership; more instructors involved in the conversations
- Reaching out to part-time faculty (Half the sky)
- Survey part-time faculty --- needs, attitudes, suggestions???
- Marketing for online – better marketing of classes including course info website
- Discussions on quality; division specific standards for quality; subcommittee for this issue?
- Bridge the online on-campus divide; use online to drive innovation in pedagogy
- Equity in online classes
- 2nd annual showcase
- New technologies - How faculty are using new technologies
- Flipped classrooms?
