Required Documents: Please obtain copies of the following documents, and be prepared to upload them and attach them to your application.

- Official Electronic Transcripts (e-transcripts) from ALL colleges attended, except for Foothill and De Anza Colleges.

Additional Documents: You are welcome to include the following documents, if they apply to you, or you would like to include them with your application.

- **Approved** petitions (required if applicable)
- Math Placement results
- Documentation of completion of CSU or IGETC General education
- BLS Card copy

Transcripts

Due to the transition of our application system, if you are a previous applicant you must submit all new official electronic transcripts to Foothill College Admissions and Records.

Official Foothill College and/or De Anza College transcripts are not required. If you have prerequisite coursework completed from Foothill College or De Anza College you must enter the coursework where appropriate on the application. We can verify your successful completion of that coursework internally.

You should obtain your College Transcripts by requesting a copy from all the Colleges you've attended. Typically, registrar offices or registration departments at the corresponding college will assist you with this. Please note that unofficial copies will not be accepted and may automatically disqualify you. For the 2018 application, you must request that electronic transcripts or e-transcripts be sent to Foothill College Admissions and Records. If your school doesn't offer this option, please send them to:

If you cannot obtain any of the required documents, please be prepared to provide a letter of explanation, which will be attached to your application.

Scanning and Saving Required and Optional Documents

Please note that you will only be allowed one file attachment for each required section. As a result, your college transcripts, for example, must all be uploaded as one file.
