We added a third FT faculty to the program.

7. Explain your implementation timeline and if there have been any changes or updates.

The start date for the new FT faculty was Fall 2023.

8. Explain the evidence the program used to evaluate progress and provide an update on progress.

Students have all been able to complete the required hours of clinical experience to graduate. The search for a FT faculty was successful and resulted in the addition of a third FT faculty.
