Why the Vision Statement matters

A college's mission and vision statements are the foundation for college wide planning and decision-making. Mission and vision work together to identify college priorities.

Foothill's mission statement describes what we do now, and our vision statement will describe what we aspire to be.

Foothill's mission statement:

Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

We'd like your help in crafting the vision statement that complements our mission.
