- ❖ **Stand Alone Form Revision Approved:** CCC approved revisions to our local Stand Alone Approval Request form on December 5th. The new form is now available on [the CCC website](#). As with all of our local forms, please ensure you're using the current version by downloading a fresh copy every time!
- ❖ **College Level Examination Program (CLEP):** At the December 5th CCC meeting, Bernie Day provided an introduction to CLEP, a program run by the College Board in which students receive credit by exam. Currently, Foothill awards CLEP credit through a pass-along process for CSU GE, in which students are able to use CLEP to satisfy certain CSU GE requirements but do not receive credit for a specific Foothill course. Aside from this, Foothill has no local policy related to CLEP. Moving forward, discussion will continue at CCC to determine if additional local policies should be implemented. If you have any feedback regarding CLEP or are interested in learning more, please contact your CCC Reps.
