

CCC Communiqué

December 2, 2021

News & Announcements:

- ❖ **New Programs:** At the November 30th meeting, CCC approved applications for the following new programs. Each will be sent to the FHDA Board of Trustees for approval at an upcoming meeting:
 - ◇ Associate in Science in Business Administration 2.0 for Transfer Degree (ADT)
 - ◇ Associate in Science Degree in Plumbing and Pipefitting Apprenticeship
 - ◇ Certificate of Achievement in Introduction to Sports Medicine

- ❖ **Winter Quarter CCC & Division CC Meetings:** At the November 30th meeting, the main topic of conversation was again focused on planning for a return to holding in-person meetings on campus—both at CCC and at the Division Curriculum Committee level. Some of the CCC Reps shared their Division's plan for meeting Brown Act requirements, which stipulate that a quorum of voting members must attend in person. Our goal is to both comply with Brown Act and allow for high faculty participation, which in some Divisions has increased due to the introduction of virtual Division CC meetings. CCC will revisit this topic during winter quarter, as the Division CCs begin to conduct in-person/hybrid meetings. If you have any questions about how to attend in-person/hybrid CCC or Division CC meetings, please reach out to your CCC Reps or anyone on the CCC Team (listed below).

- ❖ **Program Pathways Mapper:** On November 30th, CCC approved a proposal, drafted by the Guided Pathways Leadership Team, to recommend the college purchase the Program Pathways Mapper software, pending resource/budget review. The proposal has been posted on [the CCC Policies & Resolutions webpage](#).

Wishing you a Safe and
Stress-free Winter Break
