- ❖ **Equity in the COR:** At the March 15th meeting, CCC engaged in discussion around the topic of incorporating equity into Foothill course outlines of record (CORs). To guide in brainstorming ways to ensure equity is being considered in COR development, the group reviewed examples of what some other California community colleges are doing (e.g., using certain language/tone in course description, SLOs, and other sections). The group also talked about potential challenges, including articulation-related concerns and ensuring faculty's academic freedom. This is a major topic of discussion which will continue at spring quarter CCC meetings, to give the group enough time to make a well-considered decision on how to move forward. We welcome your feedback and expertise—please reach out to your CCC Reps.
- ❖ **Guided Pathways Mapping Approval Process:** On March 15th, CCC held a first read of a process to be used for both the creation of new Program Maps and the revision of existing Maps. Guests from the Guided Pathways Team—Amy Leonard, Isaac Escoto, and Natalie Latteri—presented the process, which includes a detailed step-by-step process for Map creation/revision, a submission form (for approval of the finalized new/revised Map), and workflow/steps for approval of the finalized Map. To view the draft process, please contact your CCC Reps.
- ❖ **Spring Plenary Resolutions:** CCC has shared the packet of resolutions that were discussed at the ASCCC area meetings, and the spring ASCCC plenary session will take place in early April. For a copy of the resolutions, and to engage in discussions with your colleagues, please contact your CCC Reps.

Reminders:

- ❖ **Upcoming Curriculum Deadlines:**
 - *Friday, April 15th:* Deadline to submit curriculum (program) sheets for 2022-23 in CourseLeaf CAT (must be in "Curriculum Coordinator" status by this date)
 - *Thursday, June 16th:* Deadline to submit CORs for all new courses and course updates (including local GE applications) for 2023-24 in CourseLeaf CIM (must be in "Curriculum Coordinator Review1" status by this date)

March 15th was our last meeting of Winter Quarter - CCC will resume in Spring Quarter!
