Agenda:

Action Items:

- A review of the updated GE application for the U.S. Cultures & Communities for the Building Trades Sheet Metal Program. This application was approved in the fall. The CCC committee requested for clear documentation of the referenced areas of the curriculum and this has been added to the already approved GE application.

Discussion:

Stephan motioned for approval, Brian second the motion for this action item. All ACC members voted aye to approve this action item.

A review of the process for the GE applications and the discussion of the additional GE applications that will be moving forward. The Natural Sciences GE Application will be next for the Building Trades Sheet Metal Program, Steamfitting and HVAC programs in the next couple of weeks.
