Kinesiology & Athletics
Division Curriculum Meeting, 4/17/24

In Attendance: Jeff Bissell, Kelly Edwards, Owen Flannery, Rita O'Loughlin, Katy Ripp, Warren Voyce

Jeff called the meeting to order at 10:00am.

The first topic of discussion was non-credit. We discussed that it has been pointed out that we cannot offer PHED non-credit curriculum. However, we currently have PHED non-credit curriculum, which is active. The curriculum was written and approved pre-pandemic. The curriculum was written primarily to serve the older adult student. Jeff is going to check into further.

Next, Jeff mentioned title V updates and the part equity plays in the updates.

We then moved on to a discussion about the KINS ADT for Cal-GETC compliance. He pointed out that a lot of the classes that are listed are no longer being offered. We discussed adding KINS 4 and KINS 9 in lieu of HLTH 21. In the end we approved, with HLTH 21, PSYC 1 & SOC 1.

The meeting ended with an additional discussion about non-credit. As mentioned, Jeff will be checking into this.
