

Foothill Connect Workshop

Do you have students in need of further support and are not sure where to send them for help? The Mission of the Office of Retention Services is to take the lead in coordinating student retention efforts across campus, and Foothill Connect (brand name Starfish) is the primary tool that helps in this endeavor. We are hosting workshops to help faculty better understand the Foothill Connect Platform and you may have noticed several emails recently directing you to complete “Progress Surveys” through Foothill Connect. These workshops aim to help faculty complete their Progress Surveys and teach best practices in using Foothill Connect, as well as explain to faculty the efforts of the Retention Services team to support the students referred through Foothill Connect. Whether you have used Foothill Connect before here at Foothill or Starfish at other campuses or are brand new to Foothill Connect – this workshop is for you!

Workshops: (all via zoom).
