2	OCR Access Audit Update: Ready Go software pilot	Lené	Information		11:05
	<mark>Notes:</mark> 1. Despite OCR closing, it will likely reopen, so we need to prepare for district-wide accessibility. We are going to audit a small number of courses every quarter. So, we need to send messaging out to faculty. As a reminder, we are auditing not specific faculty, but our system. We will use the information to distill changes that need to be made. We need to strategize how we can help faculty w/ accessibility as we anticipate faculty are uncomfortable. Several suggested getting volunteers to have their courses reviewed and to focus on mechanics, not content. 2. We are going to adopt new software Ready Go, which creates a series of checklist that can be added to a chosen course. It is for admins, but it could help faculty. Potentially use in POCR/CRPP. Implement it in Fall 2025.				
3	Zoom Recordings Sunset	Lené, Allison	Information, Discussion		11:25
	<mark>Notes:</mark>				

	Our zoom recordings are going to sunset, so we need to let all faculty know. Zoom shouldn't be the host for housing important recordings. Recordings will be deleted on October 2, 2025 (anything before July 31, 2024). Drop off start happening annually. Helen: The CCCCO provides all faculty with a free 3CMedia account that people can use for media storage.			
4	Online Learning Updates: Summer PD planning	Lené	Information	11:40
	Notes: Available learning communities to let faculty know about: • SLO learning community (2 synchronous 1 asynchronous cohorts) • Learning communities POCR, DesignPLus, integrating Harmonize/Hypothesis (assessment improvement) 10 hours of content and some outcomes. Early June sign-ups will begin. • CRPP: Kimberly & Carolyn starting year long. Sign-ups are happening now. • POCR: Starts the second week in July. Sally designed a new way to make the process go more smoothly for faculty.
