	Notes: Review meeting norms Some divisions not receiving report-outs Would they listen to a FTer more than a PTer? We get many emails; Those who are not participating are not part of this convo! People agree that the meeting summary notes work well to share out to divisions. Action: carry over and align with what happens with FA Review goals: J1 eval training – did not happen due to stakeholders

<p>Hybrid models – Helen, course is completed Lené - we are working on finalizing how we monitor progress. We hope to start the new process in Fall 25.</p> <p>DE Plan Goal #5 – OL has been meeting with Jory on regular basis; we have ETAC, so we have a better informal process, and want to move it to a formal process and will move it to district wide as aligns with Somos Unos.</p> <p>Canvas Certification redesign – complete</p> <p>DE plan goal #7 – Ongoing process for PD re: RSI & accessibility; RSI complete! Accessibility – in progress</p> <p>DE Plan Goal #8 & 9 – collab with marketing to increase OL student support</p> <p>Ajani will be more closely tied to student services, so this will help remove info silos. Next year the college will be reviewing the DE plan and the tech plan.</p> <p>Lené - importance of the pre-course welcome letter to set student expectations, especially in regard to late-start classes</p> <p>Allison – marketing and catalogue can communicate this better, so students better know what they are signing up for (modality, start time). With website redesign hopefully this will help. Paula is working with website redesign and will push this.</p> <p>Somos Uno – working with DeAnza -</p> <p>Didn't happen, will keep trying. FH AS did pass the AI guidelines in Fall. DA adopted our AI guidelines. Still trying to create a partnership with joint meetings.</p>
