

Facilities Master Plan 2021-2026	Measure G Bond Program (As of 6/30/2022)	Amount	Detailed Project Description
<b>District:</b> <b>Measure G: Goals and Purposes</b> Repair or replace aging plumbing systems to prevent flooding and water damage			
Improve access to college facilities for students with disabilities	104 - Renovate Football Stadium East Bleachers	1,376,600	Renovate football field/stadium eastside seating for ADA accessibility compliance.
	106 - Improve ADA Pathways to Outdoor Classroom	688,300	Addition of an ADA-compliant accessible pathway between buildings 8200-8600 and outdoor classroom space at Lower Campus facility area.
Improve deteriorating gas, electrical, sewer, and plumbing lines and systems	108 - Upgrade infrastructure and HVAC Systems - FH  FH-014 Natural Gas Service and Distribution and Electrification	61,948,700  5,506,600	Heating, Ventilation and Air Conditioning systems and equipment, includes building management and electrical systems and physical plants renovation campus-wide to meet current interior environmental and energy efficiency standards. (Boiler repair and replacement - campus-wide). Heating, Ventilation and Air Conditioning infrastructure improvements, includes replacement of original piping, electrical, system and utility components to meet current interior environmental and energy efficiency standards. (Campus-wide HVAC Repairs/Replacement. HVAC piping/line replacement).  Natural gas service and distribution replacement and revisions, includes modifications and upgrades to electrification requirements to meet energy efficiency measures.
<b>Improve Earthquake safety</b>			
Upgrade classrooms and labs for science, technology, engineering, and math-related fields	107 - Modernize and Expand Student Success Centers (STEM & TLC)	2,753,300	Renovate and expand learning center and STEM building and facilities to expand and improve student services, includes, furniture, fixtures and equipment. (Renovate and expand TLC & STEM Success Center).
Improve water conservation and install systems that will help manage future droughts			
Replace ageing internet and electrical wiring	FH-015 Electrical Systems Renovations and Upgrades Campus-wide	13,766,500	Renovation and upgrades to electrical systems to meet educational, sustainability and energy efficiency needs. Includes motor control centers, distribution, infrastructure panels, subpanels, transformers, and switches. May also include fire system upgrades.
Improve and maintain classrooms and labs for career preparation in fields like healthcare and early childhood education			
Improve vocational classrooms and labs, such as auto repair and technology training programs; construct new permanent buildings			
Upgrade job training and vocational classrooms			
Repair deteriorating classrooms and facilities	105 - Modernization Campus Wide Building Exteriors - FH  FH-007 Renovate and Upgrade Existing Classroom Facilities	27,532,700  1,652,000	Renovations and improvements to building exteriors, windows, doors, roofing and waterproofing components. Includes roofing replacements classroom buildings and other buildings - to be prioritized based on need.  Renovate and expand existing classroom facilities campus-wide, includes building envelope to improve student success. Includes furniture, fixtures and equipment. (Expand and improve existing classroom facilities)
Plan, Construct, acquire, or contribute to affordable employee and student housing units			
<b>Sustainability Strategies</b>			
Energy: Continue as a leader in energy efficiency, manage energy use at a district level			
Water: Manage Building and landscape water use to conserve water			
Health: Promote healthy living culture, and provide a safe and healthy environment			
Educate: Nurture environmental stewardship and literacy across the campus, educate and prepare students for the green workforce			
Monitor: Set high bars for building performance goals, with consistent monitoring and routine reporting			
Recycle: Promote a culture of reduce, reuse, and recycle			
<b>Foothill College Goals (Equity &amp; Community)</b>			
Create welcoming arrival experiences	100 - Upgrade Restrooms to Gender Neutral	688,300	Upgrade and renovate restroom facilities, includes gender neutral additions and ADA-compliant accessibility to support college's equity initiative. (All gender restrooms)
Provide safe and universally accessible connections	FH-011 Site Improvements	12,389,800	Campus-wide interior pathways and walkways for ADA-compliant accessibility/improvements and compliance. (Campus-wide ADA access enhancements, Stadium ADA improvements)
Knit campus together			

Improve navigation and wayfinding	FH-012 Site Access, Signage and Wayfinding Improvements	15,831,400	Site access, signage and wayfinding improvements campus-wide to improve building identification, and pedestrian and vehicle traffic flow, includes improvements from the Lower Campus buildings to upper campus facilities. (Site Acess and Wayfinding improvements - Upper and Lower Campus Connections.
Enhance collaboration across the campus			
Design campus from the student's perspective			
Improve access to student services			
Develop spaces to support connections			
Prioritize well being and promote physical activity	FH-008 Pool and Physical Education Facilities	16,519,600	Pool and Physical Education facilities improvements and modernization. Includes energy and water efficiency improvements, pool filtration, chemical treatment, lighting, locker rooms, and addition of gender neutral restrooms. (Pool locker room renovations, restroom improvements and add gender neutral restrooms.)
<b>Projects:</b>			
Repairs and upgrades for safety and accessibility	FH-013 Lighting Improvements Campus-wide	2,753,300	Campus-wide lighting improvements for safety and energy efficiency. Includes electrical and infrastructure upgrades. (Campus-wide Lighting Improvements)
Upgrades of technology systems			
Refreshment of finishes and furniture systems			
Upgrades for sustainability	FH-016 Building Management Systems Upgrades Campus-wide	2,064,900	Replace, upgrade and add building management system components campus-wide to meet energy efficiency measures. Includes software, infrastructure, distribution and system components and controls for lighting, heating, ventilation, air conditioning, etc. (Replace Building Management Systems (BMS) Campus-wide).
A - Campus Entry	FH-012 Site Access, Signage and Wayfinding Improvements		
B - West Plaza			
C - Campus Core			
D - North Slope			
E - Bridge Plaza			
F - Wellness Connection	FH-008 Pool and Physical Education Facilities		
Other:			
Swing Space		1,376,600	Provide temporary space for classes displaced by construction, Furniture, fixtures and equipment are not included.
Campus Contingency (Foothill)		8,781,400	5% of Foothill Projects (Overhead/escalation)
<b>Total</b>		<b>175,630,000</b>
