Tri-chair recommendation

The Motion

I move to fund equity initiatives using one-time carryover B budget fund for a minimum of 3 years (to reassess at that point, amount will be determined.) No move will be made until funding and process have been determined.

The Additional Recommendation

- Recommend that E&E council work with the Equity office to identify and prioritize a list of equity initiatives with a dollar amount that could be funded by one-time carryover B budget funds and present that list to R&R council at a future meeting.
- Recommend that if E&E determines that positions be funded with this money, that they also identify a funding source.
