Student Safety is Our Priority

Foothill College is doing everything possible to ensure the safety of our students and employees. We have developed Covid-19 protocols and processes according to CDC and Santa Clara County guidelines.

- All students and staff are required to be vaccinated to be on campus.
- Exempted staff and students are required to submit negative Covid tests before coming to campus.
- We have free masks, test kits, and hand sanitizer available at our Student Health Services clinic in **Room 2126**.

Academic Success and Student Support

Our faculty are committed to supporting students during these difficult and uncertain times. If you miss class due to a Covid-related challenge, we encourage you to reach out to your instructors and/or department dean to request academic flexibility.

Testing for Students

We have free test kits available to all on-campus students, including exempted students, who need them. To receive a test kit, please visit Student Health Services in **Room 2126** (next to Campus Police), Monday-Friday, 9 a.m.-4 p.m. (closed 1-2 p.m. for lunch).
