E. Kuo
V. Villaneuva

Give us a minute...recenter and refocus

- Focus on your breath for a minute.
- All you need to do is relax and redirect your attention to your breath.
- It's okay if you get distracted.
- Observe and acknowledge with no judgment.

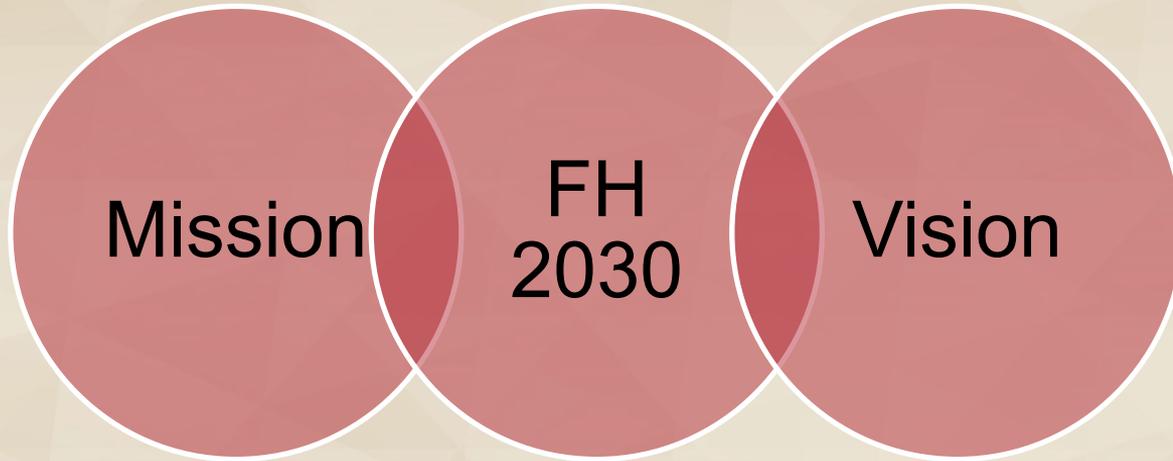

What is Foothill 2030?

- (A) State Chancellor's Office initiative
- (B) College Planning document
- (C) Dual Enrollment program

AKA Educational Master Plan (EMP)

The road to our destination

- Roadmap for how we know we moving toward what we hope to do/accomplish
- From the student's perspective
 - How are we supporting them
 - When they need it
 - For as long as they need it

Disrupting the Status Quo

- Equity Mindedness is actively and intentionally critiquing dominate narratives through empathy for the common good.

How do we get there?

The work in between

- Identify the issue
 - What might be the problem?
 - Where can we make a difference?
- Identify the strategy/plan
 - What can we try?
 - Can we see if it made a difference?

How will we do this work?

- The work may not be easy, but we aim to make a difference
- We aim challenge the status quo

Honesty | Integrity | Trust | Openness |
Transparency | Forgiveness |
Sustainability
