Subject: Foothill iscoming back

Here is a very welcome and wonderful message from **Campaign for College Opportunity** whose mission is: Working to ensure all Californians have an equal opportunity to attend and succeed in college in order to build a vibrant workforce, economy and democracy.

Congratulations! Foothill College has been named a 2022 Champion for Excelling in Equitable Course Placement in Campuswide English Enrollment, Latinx English Enrollment, Black English Enrollment, and Campuswide Math Throughput. Foothill College successfully supported 100% of students, 100% of Latinx & Black students to enroll directly into transfer level English coursework and finished in the top 3 of all California Community Colleges in supporting students who enrolled in a transfer level Math course to successfully complete it within one year of their initial enrollment. We applaud your dedication and commitment to California students.

Congratulations to everyone who made this possible, and I mean everyone, because no one of us, could have made this happen, but the “many” of us, working collectively with focus on our transfer mission, and teaching our English and math courses in light of AB 705. A wonderful example of student services and instruction working together.

More good news happened this past weekend. Saturday’s **Day On the Hill** open house was a huge success. It was conducted totally in person, and we had approximately 650 prospective students and their families spend all of Saturday morning with us, ending with lunch, lab tours, and info tables where faculty and staff featured their respective programs, like *Honors, Umoja and Puente, Anthropology, Service Learning, Science Learning Institute, EOPS, Transfer Center, Dental Hygiene, Rad Tech, Vet Tech, VRC and DRC, Teacher Corps, Student Activities, Respiratory Therapy, College Bookstore, Economics and Fund the Future, Teacher Corps, Financial Aid, Mellon Scholars, Mathematics, ESL, Language Arts, Guided Pathways, Biology, Psych Services, Ethnic Studies, The Library and LRC, STEM Center, Research and Service Leadership Symposium, Athletics, Ceramics, Theatre, and Evaluations.*

Special thanks to everyone who participated, show cased their programs and their classrooms and labs, and special congratulations to the Outreach and Marketing team who did a fantastic job in putting the whole day together!! This event is only one of many that we will be hosting to attract potential students to Foothill. We are hosting 130+ students from the Sequoia Union High School district this Friday who will be on campus for a tour and orientation. And Hidden Villa is hosting an event at our theater Friday night.

Best regards,
Bernadine
