  - Transfer to 4-yr institutions
  - Licensure exam pass rates
  - Job placement rates for CTE program completers

# What is a standard?

- ACCJC
  - “...identified level of performance determined by the institution to be acceptable.”
  - “measure will be assessed for reasonableness and effectiveness by peer external evaluators”
- Different from benchmark or goal
- College should annually meet and easily exceed—at minimum
- Implications of not meeting standards may require action plan to get back “up” to standard

# Foothill Approach

- Data
  - Most recent term/year (Fall 2013 or 2012-13)
  - Longitudinal (2008-09 to 2012-13, 2010-11 to 2012-13)
  - Disaggregation (ethnicity, program)
- Sources
  - CCCCO Data Mart, FHDA IR&P, FH Workforce Development & Institutional Advancement, California Community College Core Indicator Report
- Discussion
  - PaRC
  - Documentation
