Programs Strengths

FIRST YEAR STUDENTS

OVER THE LAST FIVE YEARS 2015 – 2020

Programs' Actions for Improvement Identified

Head Count for First Year Students applying to the college has increased over the last five years but only 46% of students enroll in classes

Number of First Year Students completing all matriculation steps is below 30%. A review of our onboarding process is in progress now with Guided Pathways

Black/African American, Pacific Islander and Native American First Year Students applicants are below 10% compared to all other races

Program Data

Completing CCC Apply (Step 1)

Note: Student type determined from application data.

	2015-16	2016-17	2017-18	2018-19	2019-20	5yr change
	HC	HC	HC	HC	HC	% change
First-Time New	3,330	3,384	3,303	3,440	4,209	26%
First-Time Transfer	14,726	16,441	16,516	15,542	14,712	0%
Total	18,056	19,825	19,819	18,982	18,921	5%

What can we control?

- Collaboration Efforts
- Delivery of Information
- Response Time
- Tools

Resources Needed

1. Continued B-Budget funding to cover cost of student support tools, professional development and possible future purchases of software
2. Technical Position that has background in Computer Science to program and enhance the use of our current Student Information System
