### SLI STEM MICRO-INTERNSHIPS WINTER 2023

Never had an internship and looking for experience?  
 Interested in working on a research project using skills and  
 knowledge from your STEM classes?

Maya Viegman and Stephanie Austin, Foothill students interning at a lab at SJSU.

*"This internship provided me the confidence that I was missing. [It] provides you the safe space and community to build that internal validation, but it allows you time to practice it so that you can carry it out in the world." - Foothill Intern*

Through the Science Learning Institute (SLI), Foothill College students will have an opportunity to engage in a RESEARCH INTERNSHIP, under the guidance of a mentor/ supervisor.

Institutions include **Stanford University, San Jose State University, and research institutions in the Bay Area.** Please see the Project Catalog before you fill out the application.

**Some important info:**

- Part-time : 6-7 hours per week for 11 weeks in winter quarter.
- Must be a Foothill student taking no more than 15 units in the winter.
- \$3300 scholarship for fulfilling all requirements
- Priority consideration given to students who have demonstrated financial need and who have not had a prior internship.
