Foothill Opportunities

No more events and activities for Foothill this Fall. See you back after the winter break!

External Opportunities

Department of Energy Community College Internships

Application Deadline: Jan 9

Don't forget to apply for the Department of Energy Community College Internships! The SLAC internship is part of this program. Here is the link to the **SLAC program** and it also links to the **DOE application site**. If you want more information about the SLAC internships from an info session that SLI ran, go to this **webpage** and scroll down to SLAC Internships.

Stanford CVI Summer Research Program

Next info session: Jan 8
On zoom
Application Deadline: Jan 12

Undergraduate and medical students are invited to participate in a 10-week summer research program in cardiovascular and pulmonary medicine at the Stanford Cardiovascular Institute (CVI). Students participating in summer research will have the opportunity to conduct independent research in the laboratories of Stanford faculty. Experience in research is not a prerequisite.
