Student Voices: Chatting About AI

Wed, January 29
12:00 pm - 1:30 pm
Toyon Room & Zoom

E Join SLI, STEM, and ETI at a student panel on AI where students from different disciplines share their unique perspectives on artificial intelligence (AI) as they answer questions about their usage about AI and concerns and hopes they have for this technology. Food will be provided for in-person attendees, and the event will also be on Zoom. More info on this [webpage](#).

Empowering Voices Student Poster Exhibit

The STEM Impact Team of SLI created student profile posters of actual Foothill current and former STEM students from underrepresented backgrounds. These framed posters are now on display in the 1900 Administration Building. Come by and check it out and keep your eyes open for an event later this quarter celebrating the posters and what they represent!

Foothill Opportunities

Navigating Change: Building Your Campus Support System

Tue, January 21
12:00 pm - 1:00 pm
BIPOC Center (2149)

Join us for lunch and an open conversation about the resources and services available to support you at Foothill College. Discover campus and community support systems, build resilience, and feel empowered as you continue your journey!

External Opportunities

LCLS Internship Summer 2025

Deadline to Apply
Mon, March 10

I The LCLS has a well-established, paid 10-week summer internship program for undergraduate and graduate students looking for internship opportunities. Depending on the area of interest, intern projects may focus more on the research or development side of LCLS, involving students in hands-on laboratory projects, programming and data analysis, and/or some combination of the two.

Website

Volunteer with Grassroots Ecology: Habitat Restoration & Nature Walks

Los Altos Hills

E Join Grassroots Ecology for a volunteer opportunity to restore and explore a public preserve in Los Altos Hills! Participate in ecosystem restoration for 2 hours, followed by a nature walk at Byrne Preserve. There are 6 workdays between January and March, and students can join any or all workdays based on availability. Build community, contribute to environmental restoration, and enjoy nature!

Website

Cesar Chavez Youth Leadership and Conference Celebration

Sat, May 10
8:00 am - 3:00 pm
UC Davis, Credit Union Center

I Join us for a free event honoring Cesar Chavez's legacy, featuring workshops on college admissions, financial aid, health care, engineering, and more. A resource fair and UC Davis campus tours will also be available. Registration opens in early 2025—don't miss this chance to learn and explore your future opportunities.

Website

Volunteer at the Cal Academy of Sciences!

E Calling all Bay Area college students and early career nature lovers, animal advocates, and climate activists! The California Academy of Sciences' **Volunteers for Nature (VN)** program connects volunteers to local conservation efforts as part of the Thriving California initiative. Dive into the field of conservation science, support impactful projects, and build lasting connections with nature and like-minded peers.
