

FOOTHILL COLLEGE
PROGRAM REVIEW COMMITTEE (PRC)
FEEDBACK – SPRING 2017

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) read and discussed each Comprehensive Program Review during a series of meetings in Winter 2017. The committee's feedback is outlined below. Please note that PRC would be happy to meet with any department or program if there are any questions/concerns.

DEPARTMENT/PROGRAM: DISABILITY RESOURCE CENTER

COMMENDATIONS & STRENGTHS:

PRC would like to commend the unit for its work on several new projects (e.g. Parent Support Group, DRC Outreach Group, and DRC Student Club).

SUGGESTIONS FOR IMPROVEMENT:

PRC suggests the unit delve further into the type(s) of students served and what the DRC is currently doing to support students.

PRC suggests additional discussion around student equity – if it is a concern, why is it a concern? Further investigation into plans to address such issues is warranted.

PRC suggests additional discussion around Service Area Student Learning Outcomes (SA-SLOs). SLO reflections are currently not discussed as driving program review.

FINAL RATING: **YELLOW**

RECOMMENDATIONS:

PRC recommends the department continue in the regular program review cycle.

PRC requests completion of program review template sections missing appropriate data analysis (e.g. student demographic trends). Please submit complete data analysis to PRC by June 30, 2017.
