

**FOOTHILL COLLEGE**  
PROGRAM REVIEW COMMITTEE (PRC)  
FEEDBACK – SPRING 2017

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) read and discussed each Comprehensive Program Review during a series of meetings in Winter 2017. The committee's feedback is outlined below. Please note that PRC would be happy to meet with any department or program if there are any questions/concerns.

---

**DEPARTMENT/PROGRAM:** VETERINARY TECHNOLOGY

**COMMENDATIONS & STRENGTHS:**

PRC would like to commend the department for its clear documentation of efforts in relation to course success (e.g. supplemental instruction) and justification of productivity levels.

PRC would like to commend the department for its outreach and recruitment efforts (e.g. job fair, Vet Tech Night).

PRC would like to commend the department for its use of Student Learning Outcomes (SLO) assessment and reflection to drive program improvement and curriculum discussions.

**SUGGESTIONS FOR IMPROVEMENT:**

PRC suggests providing clear rationale for the offering of non-transcriptable certificates.

PRC suggests further discussion around internal efforts to increase adjunct faculty participation in the program review process.

**FINAL RATING:** **GREEN**

**RECOMMENDATIONS:**

PRC recommends the department continue in the regular program review cycle.

PRC notes missing trend data and check-boxes from the comprehensive program review document. PRC asks that an updated document with complete data analysis be submitted no later than June 30, 2017.
